The first of these is the fact that the
 population of the United States is
 increasing at a rapid rate. This is
 due to a number of factors, including
 immigration and a high birth rate.
 The second factor is the fact that
 the United States is a large country
 with a great deal of land area. This
 allows for a great deal of land to be
 used for agriculture and other
 purposes. The third factor is the fact
 that the United States has a high
 standard of living. This is due to a
 number of factors, including a high
 level of education and a high level of
 technology.
